

THE ULTIMATE TO DO LIST FOR NEW STUDENTS

With so much to do before classes even start, it helps to have a list. And so—*voilà!*—a list. The instructions are simple: Make sure you do all of this stuff. And if you need any help, don't be afraid to ask!

- LANTERN:** Create and confirm your Lantern account at accounts.puc.edu. Lantern is the student portal for registration, grades, academic advising and room reservations. Many of the items below can be completed online before you arrive at PUC.
- WEBMAIL:** Create and confirm your PUC e-mail account, at webmail.puc.edu. The college and your professors communicate with you through this account. Log-in and password are the same as Lantern.
- HOUSING:** All students are required to verify housing arrangements before registering for classes:
 - Students living in the residence halls must complete a residence hall information card and pay the \$150 room reservation fee. Return the card with the fee to Enrollment Services, or go to puc.edu/residencehallreservation to complete the process.
 - Students living off campus (see eligibility requirements in Housing Policy) must download the appropriate form (puc.edu/forms) and return it to Student Services.
- HEALTH INFORMATION AND PHYSICAL EXAM:** Download online form (puc.edu/forms). Mail or fax completed form to Health Services prior to arrival on campus. Call (707) 965-6339 or fax to (707) 965-6243. [Health Services, campus map #33]
- REGISTER FOR CLASSES:** If you haven't registered, work with your advisor on class selection. **If you are a freshman, please call (800)862-7080, option 2.** If you are a registered freshman but want to make a change in your schedule, you will need to do so through your advisor on the Monday of orientation.
- VEHICLE REGISTRATION:** If parking a car on campus at any time during the school year, you must register your vehicle with Public Safety (fee required). Online vehicle registration is available at puc.edu/publicsafety. [Public Safety, campus map #22]
- FINANCIAL CLEARANCE:** Complete all financial arrangements with Student Financial Services. Be sure this is taken care of by 4:30 p.m. on the first day of class to prevent your registration from being canceled. Call (800) 862-7080, option 1 for more information. [Student Financial Services, campus map #32]
- ID CARD:** New students only! Your ID card allows you to eat in the Dining Commons, among other benefits. Get one as soon as you arrive on campus. [Student Financial Services, campus map #32]
- ACADEMIC ADVISOR MEETING:** Your assigned academic advisor is listed in Lantern. Freshmen will meet their advisors during orientation on Monday and have an opportunity to make schedule changes if necessary. Freshmen will also be notified early in the fall quarter to arrange a meeting with their advisor in order to get better acquainted and to plan for winter and spring quarters.
- INTERNET CONNECTIVITY:** Available in all residence halls. Connect your computer to the network port in your room with an Ethernet cable. Log in with your PUC e-mail username and password. The wireless network is available in various locations on campus. Go to its.puc.edu for more information.
- PHONE ACCESS:** Access to off-campus/long-distance service is available on a pre-paid basis (similar to a calling card) from Information Technology. [Library (lower level), campus map #28] For cellular phone use, Verizon is the only service that works in Angwin.
- FUSION (NEW STUDENT RETREAT):** You'll spend the weekend building friendships in the redwoods of Northern California. Buses leave PUC on Friday, September 21, and return on Sunday, September 23. Fusion groups meet all year and help new students adjust to college life. **[REQUIRED: FALL QUARTER ONLY]**
- YOUR PICTURE:** Be sure to have your picture taken for the *Funnybook* (the Student Association's pictorial directory) and *Diogenes Lantern* (PUC's yearbook). **[FALL QUARTER ONLY]**

CALL TOLL-FREE! (800) 862-7080, option 2
