Summer Ministries Leadership Scholarships

Scholarships are available to students who work at a Seventh-day Adventist summer camp, in summer youth ministry, or in literature evangelism during the summer of 2010, and then attend PUC during the 2010-2011 academic year.

PUC matches **50 percent** of all the earned money that is applied to the student's tuition.

Student Missions/Task Force Scholarships

Student Missions/Task Force Scholarships, based on the amount of time served, are available to qualified students who attend PUC the year following their term of service.

DISCOUNTS

The Tuition Guarantee Plan

For students without need-based financial aid, the tuition (excluding room and board) in effect when entering PUC will be frozen until the student graduates, provided full-time continuous registration is maintained and total estimated costs (including room and board) for the year are pre-paid by September 15.

Cash Tuition Discount

If total estimated costs (tuition, room and board) are paid in full by September 15 for Fall Quarter, December 15 for Winter Quarter, and March 15 for Spring Quarter, a cash discount of **two percent** will be applied.

Family Discount

An immediate family with two dependent students attending PUC at the same time will receive a tuition-only discount of **\$200** per student, per quarter; with three or more students, the discount is **\$250** per student, per quarter.

General Scholarship & Awards Guidelines

All PUC scholarships, awards and discounts cannot exceed costs for tuition and technology fee.

Scholarships and awards will be applied to the student's account at the rate of one-third of the total per quarter and are available for full-time students only.

Loss of scholarship money may result when a student does not maintain the minimum cumulative GPA required by the particular scholarship.

If part of the freshman year has been taken at another college, partial freshman year scholarships will be awarded.

The last day of final tests for the first quarter that a student is enrolled at PUC is the deadline for verifying with Student Financial Services that the student qualifies for a scholarship for the academic year.
