\* College Early students not only earn college credit at a fraction of the regular cost (\$395 per unit during the Summer quarter and \$810 per unit during the Fall through Spring quarters), but those who decide to attend PUC as freshmen will receive a 50% reimbursement of the cost for academic credit for the College Early: Summer in Residence program.

\* The built-in cost for weekend activities is to cover the general transportation and activity costs. Students will, however, be responsible for all food purchases, and any other individual incidental or subjective purchases on outings, etc., and should be appropriately prepared.
