

Pacific Union College

RE-ENTRY INTO THE UNITED STATES

Prepare for your return to the United States. Be sure to hand-carry (instead of packing in checked luggage) the following documents:

1. Valid passport with valid F-1 visa
2. Valid Form I-20 (signed by the international student advisor within the past six months of the time of re-entry, but not later than one year)
3. Proof of financial support
4. Contact information for international student advisor

Also consider hand-carrying:

1. Evidence of acceptance to PUC, like a recent tuition payment receipt or acceptance letter
2. Proof of paying the I-901 SEVIS fee
3. Class schedule printout for current and upcoming quarter

Be sure the border patrol officer marks your passport as F-1, D/S. If the officer makes a different notation, have the officer make the correction right there on the spot.
