The Education Department offers a variety of programs:
The Early Childhood Education majors and minor prepare individuals to pursue careers involving work with young children (birth to eight years). The A.S., the B.S., and the minor each meet requirements for different levels of the California Child Development Permit.
The Liberal Studies major is the recommended undergraduate degree for individuals wishing to be elementary teachers.
The first stage of credentialing is the California SB2042 Preliminary Multiple Subject and/or Single Subject Credential. The credential can be earned concurrently with the undergraduate program, as a post-baccalaureate non-degree program, or as a Master of Arts in Teaching (M.A.T.) program. The Seventh-day Adventist Basic certificate can be earned concurrently with any of these options.
The Master of Education (M.Ed.) is offered during the summers.
The Teacher Education Program is approved by the California Commission on Teacher Credentialing and by the Office of Education, General Conference of Seventh-day Adventists.

Mission
The mission of the Education Department is to develop professional and compassionate teachers who have the skills and teaching strategies necessary to create a rigorous and stimulating classroom climate where learning takes place for all students.

Vision
As a Seventh-day Adventist institute of higher education, we believe education should restore human beings into the image of God. Our vision is to prepare teacher candidates who can lead their students into saving, transforming relationships with Jesus Christ through the development of the whole child: Spiritual, physical, intellectual, and socio-emotional. In so doing, we- and they- will be helping to fulfill the commission of preaching the gospel to all the world.

To achieve our mission to prepare pre-service candidates for a successful teaching career- a career that reflects their commitment to the profession, to children and their families, and to the future-. we are committed to inspiring and supporting our candidates to be knowledgeable and skilled in the following elements:
• Intentional friendship: Candidates will understand the importance of positive relationships between all those involved with student success- students with other students, teachers with students, and teachers with other teachers.
• Relevant, engaging curriculum leading to competence and mastery: Candidates will understand how to create relevant learning experiences for students, and evaluate them through effective assessments.
• Non-coercive, well-managed classrooms: Candidates will understand how to manage classrooms effectively and to do so without reliance on coercive or manipulative strategies.
• Applied Christianity: Candidates will recognize the value of applying the principles of a Christian life within the classroom setting and supporting students as they find their way on their personal Christian journeys.
Education

Child Development Permits/Certificates
The California Child Development Permit is issued by the California Commission on Teacher Credentialing (CCTC) and the Seventh-day Adventist Professional Achievement Recognition Certificate is issued by the Pacific Union Conference Department of Education. Both documents are organized into different levels, each authorizing the holder to perform different levels of service in child development programs.

The Early Childhood Education programs at PUC meet the requirements for different levels as follows:

A.S. in Early Childhood Education
Meets the requirements for the California Child Development Teacher Permit and the Seventh-day Adventist Professional Achievement Recognition Certificate. Appropriate for individuals who plan to teach in early childhood education programs.

B.S. in Early Childhood Education
Meets the requirements for the California Child Development Site Supervisor Permit and the Seventh-day Adventist Professional Achievement Recognition Certificate. Appropriate for individuals who plan to teach in and direct early childhood education programs. This program may also be combined with the Teacher Education Program to earn a CA Preliminary Multiple Subject Credential and a Seventh-day Adventist Basic Elementary certificate.

Minor in Early Childhood Education
Meets the requirements for the California Child Development Permit. Appropriate for individuals pursuing careers involving work with young children from birth through eight years old in various fields, such as Education, Nursing, Psychology, Social Work, and others.

Teacher Education Program for the Multiple Subject (Elementary) Credential
- Undergraduate program
- Post-baccalaureate non-degree program
- Master of Arts in Teaching (M.A.T.) program

The California SB2042 Preliminary Multiple Subject Teaching Credential can be earned concurrently with the undergraduate program, as a post-baccalaureate non-degree program, or as a Master of Arts in Teaching (M.A.T.) program. Students may also earn the Seventh-day Adventist (SDA) Basic Elementary certificate. Students should consult with the credential analyst to determine the appropriate program for their needs.

Prerequisites for Admission to the Credential Program
Candidates must be formally admitted to the credential program before admission to methods courses or field experiences.

➢ Prerequisites for all applicants
1. Complete EDUC 101- Introduction to Teaching and EDUC 101L- Classroom Observations.
2. Meet the Basic Skills Requirement and submit verification to the Credential Office.
3. Obtain a Certificate of Clearance from the California Commission on Teacher Credentialing to verify criminal record clearance.
4. Submit the complete program application as follows:
   a) Application form
   b) Advisor Interview
   c) Personal Statement
   d) Recommendation
   e) Official transcripts for all college work
   f) Certificate of Clearance (criminal record check)
   g) Basic Skills verification
   h) SDA church membership verification (if a SDA member)
5. Complete the admissions interview with the Credential Analyst.

➢ Additional prerequisites for undergraduate applicants
1. Demonstrate a minimum cumulative GPA of 2.75.
2. Complete the residence requirement: One successful quarter at Pacific Union College or acceptance from another teacher education program.
3. Select a bachelor’s degree. It is highly recommended that candidates complete the B.S. in Liberal Studies as this degree prepares the candidate to pass the CSET and gives the subject matter content needed to teach elementary school. *Please note: Program admission by the end of the sophomore year is highly recommended and is required for recipients of the Adventist Mission Scholarship in Education.*

➢ Additional prerequisites for post-baccalaureate non-degree applicants
1. Demonstrate a minimum cumulative GPA of 2.75.
2. Submit official documentation demonstrating completion of a four-year bachelor’s degree from a regionally-accredited institution of higher education.
3. Register for, attempt, or pass the California Subject Exam for Teachers (CSET), Multiple Subjects, Tests 1, 2, 3.

➢ Additional prerequisites for M.A.T. applicants
1. Demonstrate a minimum cumulative GPA of 3.0.
2. Submit official documentation demonstrating completion of a four-year bachelor’s degree from a regionally-accredited institution of higher education.
3. Pass the California Subject Exam for Teachers (CSET), Multiple Subjects, Tests 1, 2, 3.

Full-Time Student Teaching (EDUC 493/593)
Candidates must meet the following prerequisites prior to participation in the full-time student teaching experience.
1. Obtain acceptance into the credential program.
2. Demonstrate a minimum cumulative GPA of 2.75 (undergraduate and post-baccalaureate non-degree candidates) or 3.0 (M.A.T. candidates).
3. Obtain clearance from the Vice President for Student Life.
4. Pass the CSET-Multiple Subjects, Subtests 1, 2, 3 according to the following timeline:
   M.A.T. candidates must pass the CSET prior to program admission.
   All other candidates must pass the CSET one full quarter prior to student teaching.
6. Pass Department Reviews #1 and #2.
7. Receive approval of the California Teacher Performance Expectations (TPEs) Portfolio.
8. Pass the following Teaching Performance Assessments: Subject-Specific Pedagogy, Designing Instruction, and Assessing Learning.

Requirements for the Teaching Credential
To be recommended for the California SB2042 Preliminary Multiple Subject Teaching Credential and/or the SDA Basic Elementary certificate, candidates must hold a bachelor’s degree from an accredited institution, and have completed satisfactorily all the course work, field work, and examinations required by the professional education program as described on these pages.

**Restrictions on Courses Accepted for Transfer for the Credential Requirements**

A maximum of one methods course without fieldwork may be taken by correspondence or directed study if approved by the department. Methods courses with fieldwork may not be taken by correspondence or directed study. Methods courses with fieldwork being transferred will require the fieldwork to be completed at Pacific Union College. Requests for transfer credit for core classes will be considered on an individual basis. Contact the Credential Office for more information.

**Credential Coursework at the Graduate Level**

The core courses for the credential are offered at both the undergraduate and the graduate level. In order to enroll in the courses offered at the graduate level, a student must have a baccalaureate degree and be admitted to the M.A.T. program. Certain credential courses at the graduate level are differentiated and include increased requirements as compared to the corresponding credential course at the undergraduate level.

**Applying Undergraduate Coursework to the M.A.T.**

If students complete required credential coursework at the undergraduate level, only one basic core course may be applied toward the M.A.T. coursework requirements.

Students in the M.A.T. program are not eligible to take the credential coursework at the undergraduate level once they are admitted to the program.

**Requirements for Graduation with the M.A.T.**

To receive the M.A.T. with the Multiple-Subject specialization, students must meet the following requirements:

1. Complete the core coursework (55 credits) for the M.A.T. Only one undergraduate course may be applied toward the M.A.T. requirements.
2. Demonstrate a minimum overall graduate GPA of 3.0 with no grade lower than B-.
3. Receive approval of the TPEs Portfolio.

Requests for transfer credit for core classes will be considered on an individual basis. Contact the Credential Office for more information.

Credential Coursework at the Graduate Level

The core courses for the credential are offered at both the undergraduate and the graduate level. In order to enroll in the courses offered at the graduate level, a student must have a baccalaureate degree and be admitted to the M.A.T. program. Certain credential courses at the graduate level are differentiated and include increased requirements as compared to the corresponding credential course at the undergraduate level.

Applying Undergraduate Coursework to the M.A.T.

If students complete required credential coursework at the undergraduate level, only one basic core course may be applied toward the M.A.T. coursework requirements.

Students in the M.A.T. program are not eligible to take the credential coursework at the undergraduate level once they are admitted to the program.

Requirements for Graduation with the M.A.T.

To receive the M.A.T. with the Single-Subject specialization, students must meet the following requirements:
1. Complete the core coursework (46 credits) for the M.A.T.
   Only one undergraduate course may be applied.
2. Demonstrate a minimum overall graduate GPA of 3.0 with no grade lower than B-.
3. Receive approval of the TPEs Portfolio.
The M.A.T. and the M.Ed.
The Pacific Union College Education Department offers two distinct masters degrees, the M.A.T. and the M.Ed.
The M.A.T. (Master of Arts in Teaching) is for the post-baccalaureate student who has not earned a preliminary teaching credential. The program is designed for full-time enrollment during the academic year and is focused on the practice of the teaching profession. As a professional degree, the M.A.T. does not provide a foundation for further graduate study.
The M.Ed. (Master of Education) is for the post-baccalaureate student who has earned a preliminary teaching credential and is employed as a teacher. The program is designed for part-time enrollment during the summer and combines professional practice with scholarly research. As a research degree, the M.Ed. provides a foundation for further graduate study, if desired.

Master of Education Degree, M.Ed.
This degree meets the requirements for the Seventh-day Adventist Professional Credential. The program is designed for part-time enrollment during the summers and is completed over a period of several years.

Admission to the Master of Education Degree Program
All potential students, including former Pacific Union College students, must apply for admission both to the college and to the M.Ed. program.
The application will be considered once official postsecondary transcripts and other requested materials have been filed with the Education Department. Upon review of the application, the department will notify the applicant of the action taken.

Admission is determined by the Education Department faculty on the basis of credentials held, recommendations, former academic performance, and background. The college reserves the right to cancel the acceptance of any person for graduate study should further evidence indicate that he or she does not adequately meet requirements for the M.Ed. program.

Prerequisites for Admission to the M.Ed. Program
1. A baccalaureate degree from a regionally-accredited institution of higher education.
2. A state credential or SDA credential, or eligibility for these credentials.
3. Admission to Pacific Union College.
4. Submission of a graduate application to the Education Department that includes the following:
   a) Application form
   b) Two recommendations
   c) Official transcripts
   d) Interview with department chair and one other Education faculty member
   e) Essay discussing interests and goals
5. A minimum GPA of 3.0 in each of the following areas:
   a) Undergraduate upper-division major
   b) Education courses
   c) Overall college work, or the last 96 quarter hours
6. Acceptable scores in the Graduate Record Examination (GRE) General Test.
7. A proposed program of studies appropriate to the student’s strengths, interests, and professional goals.

A student who has been accepted for graduate study in another accredited institution of higher education and wishes to earn credit for transfer should apply as a guest student and is not required to follow the regular M.Ed. admission procedures.

Previous and Transfer Credit
The department chair or the credential analyst must approve any coursework taken prior to admission to the program.
A maximum of 12 quarter hours of approved transfer credits may be applied toward the degree.
Credit earned by correspondence, examination, student teaching, or continuing education is not applicable to the M.Ed. course requirements.

Reserved Credit
Students who have completed 135 hours toward a baccalaureate degree and who will be eligible to apply for admission to the M.Ed. program after graduation may request to reserve a maximum of 8 quarter hours of approved upper-division courses for application to the M.Ed. provided that they are not needed to fulfill requirements for the bachelor’s degree or the preliminary credential. Students interested in this option should make arrangements with the Education Department.

The Program of Studies
The Education Department faculty will work with each student to construct an acceptable Program of Studies and will monitor progress during the period of graduate study.
The Program of Studies must provide for the following:
1. Removal of any undergraduate deficiencies,
2. Sequencing of course work so that all requirements are completed within the seven-year limit,
3. Completion of all departmental and college requirements for the degree.
Requirements for Graduation with the M.Ed.

M.Ed. candidates have the option of fulfilling requirements under the catalog of their first enrollment or any subsequent catalog during the time of continuous enrollment. To receive the M.Ed., students must meet the following requirements:

1. Satisfactory completion of approved Program of Studies.
2. A minimum overall graduate GPA of 3.0 with no grade lower than B-.
3. Satisfactory completion of examinations and projects as determined by the student’s Committee on Studies.
4. Completion of requirements within seven calendar years beginning with the first enrollment in courses counting toward the master’s degree or date of acceptance into the program, whichever comes first. Students who take these courses at any time during the seven-year period are considered to have continuous enrollment status. A time extension requires approval from the Education Department.

> Subject Matter Courses (11 hours)

At least 11 hours of graduate-level (or reserved graduate) electives, chosen in consultation with Education and Subject Matter advisors and designed to strengthen subject matter knowledge.

For the SDA Professional Elementary Certificate
If not taken previously, coursework must include two of the following: Fine Arts Methods, PE Methods, Children’s Literature, Applied Arts Methods.

For the SDA Professional Secondary Certificate
If not taken previously, coursework must include Education of the Exceptional Student, Multicultural Education, Learning Theory/Style, and Reading in Content Areas.
Early Childhood Education

Lower-Division Courses:

ECED 181 3 F  
Introduction to Early Childhood Education  
A general overview of early childhood education. Includes basic child development, history of early childhood education, types of programs, qualifications and characteristics of successful teachers, career opportunities, teaching permit information, and current issues.

ECED 184 4 W  
Health, Safety, and Nutrition  
A holistic examination of health, safety, and nutrition and their effect on the wellbeing of children. How to prepare and maintain a safe and healthy environment and encourage good nutrition for young children. Helps meet State requirements for specified training in preventative health practices. Odd years.

ECED 185 3 W  
The Creative Development of the Young Child  
Focus on the integration of creative activities such as visual art, music, movement, and dramatic play. Includes a field experience with groups of children to plan and implement relevant curriculum activities. Explores the concept of creativity and its importance in the field of early childhood education.

ECED 189 3 W  
Constructive Guidance and Management  
An exploration of the techniques and strategies designed to enhance effective and positive guidance and discipline practices. Methods for teaching young children autonomy and self-discipline, while promoting development of positive self-concept and prosocial behaviors. Focus on the creation of a positive and caring environment for young children. Prerequisite: ECED 181 or EDUC 101.

ECED 210 2 S  
Child Protection and National Standards  
The medical, legal, and social implications of suspected abuse. Recognition of the role of the educator and physician in preventing child abuse and family violence, through routine assessment of family dynamics, early identification of children at risk, and cooperation with community services that support families. Even years.

ECED 215 3 S  
Observation and Assessment of the Young Child  
An introduction to a variety of observation and guidance techniques that can be used with children in early childhood education programs. Includes an emphasis on observing young children and assessing their early childhood learning environments. Prerequisite: ECED 181.

ECED 220 3 W  
Early Childhood Curriculum  
A theoretical and experiential investigation of curriculum in the preschool environment. Emphasis on continuity of learning experiences for children and the use of materials for instructional purposes. Prerequisites: ECED 181, 226. Even years.

ECED 226 3 F  
The Spiritual/Moral Development of the Young Child  
Understanding how the moral/spiritual development is the domain in which children grow in their ability to think and act according to their understanding of what is right and wrong. Explores children’s development of moral understanding and their consequent ability to act increasingly with the needs of others in mind and to resolve moral dilemmas based on ideals of justice, fairness, or caring. Theories by Lawrence Kohlberg, Jean Piaget, and Carol Gilligan.

ECED 230 3 F  
Child, Family, and Community  
Acknowledges the value and necessity of collaboration between parents, teachers, and the community in support of children. Includes the challenges facing contemporary families, the needs of families with diverse backgrounds, available community resources, political awareness, and child and family advocacy. Effective methods of communication with families and community members will be practiced. Prerequisite: ECED 181. Even years.

ECED 235 3 F  
Child Development  
(See PSYC 235.)

ECED 240 3 W  
Infant and Toddler Care I  
A study of the care and education of infants and toddlers (birth to age three) in group settings such as child care centers, family child care homes, and Early Head Start. Includes the support of the whole child in a safe, responsive environment. Emphasizes relationship-based care along with state-mandated requirements for the child under age three. Prerequisite: ECED 181. Odd years.
ECED 276  5 F, W, S  
Student Teaching I  
Supervised practicum (150 hours) lasting the entire quarter in an infant/toddler setting. Students will participate in activities carried out by early childhood educators working with infants and toddlers within early childhood settings. Also includes seminar activities and discussion with the course instructor. Prerequisites: ECED 181, 189, 210, 215, 235, 240, fingerprint clearance. Graded S/F.

Upper-Division Courses:

ECED 326  3 W  
The Physical & Social/Emotional Development of the Young Child  
Participation in a balance of indoor and outdoor play, self-directed play, teacher-directed activities and ample physical experiences. Also explores foundations of knowledge about social and emotional development. Analysis of developmental theories as they apply to young children’s emotional and social development; includes the effects of social and emotional development on learning. Prerequisite: ECED 181, 220. Odd years.

ECED 340  3 S  
Infant and Toddler Care II  
The design and implementation of age-appropriate activities and routines for infants and toddlers. Focus on planning developmentally-appropriate curriculum to include all domains of the child—physical, cognitive, emotional, and social. Prerequisites: ECED 181, 240. Odd years.

ECED 361  4 F  
Administration and Supervision of ECE Programs I  
Techniques and knowledge needed to develop and administer a quality early childhood center, including assessment of community need, licensing guidelines, board development, budget and financial planning, development of the center (equipping, staffing, enrolling children), evaluation, and development of parent and community support. Prerequisites: ECED 181, 215. Even years.

ECED 362  5 W  
Administration and Supervision of ECE Programs II  
Study of the competencies required in the successful operation of a child development center. Includes marketing, recruitment, human resource management, facilities and risk management, professional development, and leadership skills. Prerequisites: ECED 181, 215. Even years.

ECED 370  3 F  
Math for the Young Child  
An organized, sequential approach to creating math curriculum for young children. Methods of teaching math concepts such as classification, shapes, spatial sense, seriation, numbers, and measurements. Taught using naturalistic, informal, and structural types of learning. Stresses the integration of math with language arts, science, social studies, art, and music and movement. Prerequisites: ECED 181, 220. Even years.

ECED 371  3 F  
Science for the Young Child  
Methods of teaching science to young children. How to teach children to explore, classify, compare, contrast, and hypothesize in physical science, biology, and botany. Prerequisites: ECED 181, 220. Odd years.

ECED 372  3 F  
Language and Literacy in the Young Child  
Emergent literacy for the young child involving the skills, knowledge, and attitudes that are developmental precursors to conventional forms of reading and writing. Involvement of children in literacy through real life experiences, children’s literature, phoneme awareness, and early reading and writing. Prerequisites: ECED 181, 220. Odd years.

ECED 482  3 F, W, S  
Student Teaching II  
Supervised field experience (90 hours) in a preschool setting under the direction of an early childhood licensed teacher. Students will be expected to demonstrate mastery of subject matter, teaching competence, and potential for future improvement. Prerequisites: ECED 276, 370, 371, 372, fingerprint clearance. Graded S/F.

ECED 495  1-3 Arranged  
Independent Study  
Offers the advanced student opportunity to pursue investigation in a field of special interest under the direction of department faculty.
Education

Lower-Division Courses:

EDUC 101 2 F, W, S
Introduction to Teaching

An overview of the teaching profession. Includes certification requirements, the history of education, teaching as a profession, and the characteristics of successful teachers. The program admission process begins in this class. Corequisite: EDUC 101L.

EDUC 101L 1 F, W, S
Classroom Observations

A 25-hour field experience that provides practical information about classroom teaching for the student who is entering the teaching profession. Involves extensive observation of teachers both in the classroom and on video. Must be completed before a student may be admitted to the credential program. Students who wish to apply credit for this course toward the requirements for a teaching credential must earn a grade of B- or better. This requirement may be waived on experience. Contact the credential analyst for more information. Corequisite: EDUC 101.

Upper-Division Courses:

EDUC 332 2 W, S, Su
Teaching with Technology

Excellent teaching has as much to do with empowering students to learn as it does with knowing how to teach. This course explores the ranges of educational technology and methods for improving student understanding through its use with all learners. This instructional class is supplemented by an experiential lab. Applies to area VII.A of the general education requirement. Prerequisite: EDUC 101, 101L or ECED 181. Corequisite: EDUC 332L. Odd summers.

EDUC 332L 1 W, S, Su
Teaching with Technology Laboratory

Supplemental lab that complements the material in EDUC 332. Prerequisite: EDUC 101, 101L or ECED 181. Corequisite: EDUC 332. Odd summers.

EDUC 333 4 S, Su
Educational Psychology

Exploration of how children and adolescents learn and think in the classroom. Examines how characteristics such as intelligence, personality, cognitive and moral development, and diversity impact student learning. Includes the study of learning theories, motivation, cooperative learning, assessment, and managing a classroom. Odd summers.

EDUC 335 3 F
Moral Dimensions of Teaching and Learning

EDUC 336 3 W
The Multicultural Classroom

Preparation of candidates for the wide diversity of students they will encounter in the classroom. Includes an emphasis on developing methods for involving the family in the educational process. Addresses the legal basis for desegregation and multiculturalism in American Education. Emphasizes the knowledge and skills needed to help students be better informed and proactive in a multicultural society.

EDUC 339 2 F
ELL Pedagogy

Strategies for assessing and teaching K-12 English Language Learners (ELLs), concentrating on techniques used by classroom teachers that foster development of listening, speaking, pronunciation, grammar, reading, writing, and vocabulary in a variety of content areas. Prerequisite: EDUC 101, 101L.

EDUC 340 4 W, Su
Exceptional Children in the Classroom

Major categories of disabilities and giftedness and strategies to meet the needs of these children in the general classroom. Information about federal and state laws pertaining to disabilities and how to write and implement an IEP. Prerequisite: EDUC 101, 101L or ECED 181. Even summers.

EDUC 345 4 F
Teaching Math in the Elementary School

Prepares pre-service elementary teachers in mathematics instruction through interrelated activities in classwork and fieldwork. Emphasis on California state content standards in mathematics; planning and implementing effective lessons. Prerequisites: Credential program admission. Corequisite: EDUC 493 (345L).

EDUC 353 4 W
Teaching English Language Arts I

EDUC 356   4 S
Teaching English Language Arts II
The nature of language acquisition and the principles related to intermediate reading/language arts instruction. Instructional strategies for developing ability to transmit meaning through talking and writing and to comprehend meaning through listening and reading. Emphasizes assessment and management techniques and teaching to diverse groups of students. Includes multigrade teaching and state standard aligned instruction. Prerequisites: Credential program admission.

EDUC 357   4 S
Teaching Content Areas: Science, Social Studies, the Arts
Aspects of teaching science, history, social science, visual arts, and performing arts. Implementation of state adopted content standards in these subject areas. Observation of professionals in the field, paying particular attention to content and strategies of instruction, as well as techniques for teaching art as it relates to other subject areas and careers. Emphasizes case studies, integrated units, and cross-cultural activities. Prerequisite: Credential program admission.

EDUC 361   4 F
Middle School Teaching Strategies
One of three courses preparing students for the secondary classroom. Special focus on the unique needs of middle school students. Creation of an environment and development of learning plans that accommodate developmental characteristics of young adolescents (ages 10-14). Exploration of project-based learning, cooperative learning, direct instruction, differentiated instruction, authentic assessment, and block scheduling. Prerequisites: Credential program admission. Corequisite: EDUC 362/494 (361L).

EDUC 362   4 W
Secondary Content Area Teaching Strategies
One of three courses preparing students for the secondary classroom. Focus on the high school environment and the knowledge and skills needed to plan and deliver instruction in specific content areas. Creation of assessment tools for the content area, development of effective learning units, and creation of course syllabi. Students will make sample instructional presentations in class and conduct interviews with secondary teachers in their own content areas. Prerequisites: Credential program admission, EDUC 361/494 (361L), 491, junior class standing, and completion of 50% of the major coursework. Corequisite: EDUC 362/494 (362L).

EDUC 366   2 S, Su
Teaching K-12 Bible
Teaching objectives, materials, and strategies in Biblical education. Emphasizes the spiritual development of K-12 students and provides methods of teaching whereby Bible curriculum can be harmonized with that development. Explores and analyzes the Seventh-day Adventist Bible curriculum. Required for SDA elementary endorsement. Required for SDA secondary endorsement only if a Bible endorsement is desired. Prerequisite: Credential program admission. Corequisite: EDUC 368L (school year only). Available odd summers (without practicum) for employed teachers only.

EDUC 368L   1 S
Teaching K-12 Bible Practicum
Designed to support EDUC 368 and place candidates in a Bible classroom within an SDA school setting. Includes observation of present practices in Bible instruction. Candidates will assist cooperating teachers as well as plan and implement a brief unit of study, based on the current class curriculum and the NAD Bible curriculum guides. Prerequisite: Credential program admission. Corequisite: EDUC 368.

EDUC 476   3 F
Physical Education for Children
See also ESTH 476.
Activity interests of children and appropriate materials for different age levels; selection of materials and methods of presentation. Consists of a combination of lectures and practice. Applies as one course for the Fitness general education requirement.

EDUC 477   3 F
Classroom Management
An overview of classroom management models, including behaviorist options, with an emphasis on redemptive approaches. Identification of personal views toward classroom organization and structure and development of classroom management plan based on “best practice” strategies. The value of effective structure, developing procedures and rules, engaging curriculum, effective communication, and consistent follow-through. Prerequisite: EDUC 101, 101L.
**EDUC 479** 2 W  
Organizing the Self-Contained Classroom  
Organization of the self-contained classroom and the needs of the developing child. Focus is on assessment in the elementary classroom, from school readiness, ongoing documentation of growth, portfolios, grade reports, and promotion and retention decisions. Includes organization of schedules, equipment, and materials, and strategies for the development of responsible and motivated elementary age students. Prerequisite: EDUC 477.

**EDUC 491** 1 F  
Student Teaching Seminar:  
TPA Cycle 1  
Guides candidates toward the successful completion of the California Teaching Performance Assessment. Also provides support for candidates as they complete their student teaching. Prerequisite: Credential program admission.

**EDUC 492** 1 W  
Student Teaching Seminar:  
TPA Cycle 2  
Guides candidates toward the successful completion of the California Teaching Performance Assessment. Also provides support for candidates as they complete their student teaching. Prerequisite: Credential program admission, EDUC 491.

**EDUC 493** 1-12 F, W, S  
Student Teaching, Full-Time, Elementary  
Elementary student teaching is divided into four components:  
a) EDUC 493 (345L)- Student Teaching, Math Field Experience (1):  
25-hour field experience completed in an upper-grade elementary school classroom. Involves observing, assisting, and actually teaching in the area of math under the direction of an experienced elementary grade teacher. Counts as 1 hour of Student Teaching and is supervised and evaluated. Prerequisites: Credential program admission, TB clearance. Corequisite: EDUC 345, 491. Qualifies for IP grading. Graded S/F.  
b) EDUC 493 (353L)- Student Teaching, Beginning Reading Experience (1):  
25-hour field experience completed in a K-2 classroom. Involves observing, assisting, and actually teaching in the area of beginning reading and writing under the direction of an experienced primary grade teacher. Counts as 1 hour of Student Teaching and is supervised and evaluated. Prerequisites: Credential program admission, Department Review #1, EDUC 345/493 (345L), 491. Corequisite: EDUC 353, 492. Qualifies for IP grading. Graded S/F.  
c) Pre-Session Student Teaching (3):  
Ten-day experience at the beginning of a school year. Involves observing and assisting a teacher just prior to the beginning of school and into the first few days of a new school year. Prerequisites: Regular program admission and successful completion of one methods course.  
d) EDUC 493- Student Teaching, Full-Time, Elementary (12):  
Full-time student teaching occurs at the conclusion of the credential program courses. It lasts for the 11 weeks of the quarter and is a full-time, full day commitment. It is not possible for the student teacher to hold a day job during this time. By the end of the experience, the student will take complete responsibility for all classroom management, instructional planning, teaching, and student assessment. Candidates employed on a regular full-time teaching contract at a grade level covered by the desired credential may petition the department to complete in-service student teaching. Prerequisites: EDUC 339, 340, 345, 353, 356, 491, 492, 493 (345L), 493 (353L), Department Review #1 and #2, TPE Portfolio, Pre-Session Student Teaching, Passage of the California Teaching Performance Assessment Tasks Subject-Specific Pedagogy, Designing Instruction, and Assessing Learning, Passage of CSET: Multiple Subjects. Corequisite: EDUC 498. Qualifies for IP grading. Graded S/F.  

**EDUC 494** 1-12 F, W, S  
Student Teaching, Full-Time, Secondary  
Secondary student teaching is divided into four components:  
a) EDUC 494 (361L)- Student Teaching, Middle School Field Experience (1):  
Involves 25 hours of observation and teaching in the specific content area of the credential in a middle school classroom (grades 6-8). Counts as 1 hour of Student Teaching and is supervised and evaluated. Prerequisites: Credential program admission, TB clearance, completion of 50% of the major coursework with GPA of 2.5 or above or passage of CSET. Corequisite: EDUC 361, 491. Qualifies for IP grading. Graded S/F.  
b) EDUC 494 (362L)- Student Teaching, Senior High School Field Experience (1):  
Involves 25 hours of observation and teaching in the specific content area of the credential in a senior high school classroom (grades 9-12). Counts as 1 hour of Student Teaching and is supervised and evaluated. Prerequisites: EDUC 361/ 494 (361L), EDUC 491 completion of 50% of the major coursework or passage of CSET, Department Review #1. Corequisite: EDUC 362, 492. Qualifies for IP grading. Graded S/F.  
c) Pre-Session Student Teaching (3):  
Ten-day experience at the beginning of a school year. Involves observing and assisting a teacher just prior to the beginning of school and into the first few days of a new school year. Prerequisites: Regu-
lar program admission and successful completion of one methods course.

d) EDUC 494- Student Teaching, Full-Time, Middle or Senior High School (12):
   Full-time student teaching occurs at the conclusion of the credential program courses. It lasts for the 11 weeks of the quarter and is a full-time, full day commitment. It is not possible for the student teacher to hold a day job during this time. By the end of the experience, the student will take complete responsibility for all classroom management, instructional planning, teaching, and student assessment. Candidates employed on a regular full-time teaching contract at a grade level covered by the desired credential may petition the department to complete in-service student teaching.
   Prerequisites: EDUC 339, 340, 358, 361, 362, 491, 492, 494 (361L), 494 (362L), Department Review #1 and #2, Content Area Portfolio, Pre-Session Student Teaching, Passage of the California Teaching Performance Assessment Tasks Subject-Specific Pedagogy, Designing Instruction, and Assessing Learning, Passage of the CSET: Content Area.
   Corequisite: EDUC 498. Qualifies for IP grading. Graded S/F.

EDUC 495  1-3 Arranged
Independent Study
   The advanced student pursues investigation in a field of special interest under the direction of department faculty.

EDUC 498  1 F, W, S
Student Teaching Seminar: Culminating Teaching Experience
   Guides candidates toward the successful completion of the California Teaching Performance Assessment Culminating Teaching Experience. Evaluates the ability of the candidate to integrate the three previous strands of the TPA: Subject-specific pedagogy, designing learning, and assessing learning. Also provides support for students as they complete their student teaching. Prerequisites: Credential program admission, EDUC 491, EDUC 492. Corequisite: EDUC 493 (elementary) or EDUC 494 (secondary).

EDUC 420  1-2 Su
Education Workshop
   Hands-on practical summer workshops for teachers seeking certification renewal credit. Offered under different subtitles on a rotating basis. Repeatable for credit under different subtitles. Graded S/F.

EDUC 421  2 Su
SDA Methods in Elementary Mathematics
   Meets the SDA Basic Elementary certification requirement for methods in mathematics. Open to practicing teachers holding a Conditional certificate; not open to students in the campus credential program. Even summers.

EDUC 422  3 Su
Reading and Writing for Life
   Meets the SDA Basic Elementary certification requirement for methods in reading and language arts. Open to employees holding a SDA Conditional certificate; not open to students in the campus credential program. Odd summers.

EDUC 425  2 Su
SDA Secondary Curriculum Methods
   Meets the SDA Basic Secondary certification requirement for secondary curriculum methods. Open to practicing teachers holding a Conditional certificate; not open to students in the campus credential program. Odd summers.

EDUC 426  2 Su
SDA Secondary Reading Methods
   Meets the SDA Basic Secondary certification requirement for methods in secondary reading. Open to practicing teachers holding a Conditional certificate; not open to students in the campus credential program. Even summers.
EDUC 427  2 Su
Assessment & Evaluation for Beginning Teachers

Introductory overview of educational assessment and evaluation as used in the elementary and secondary classroom. Meets the SDA Basic certification requirement for educational assessment. Open to practicing teachers holding a Conditional certificate. Even summers.

EDUC 430  1-2 Su
Kindergarten Administration

Meets the SDA special endorsement requirements for Kindergarten teachers. Presents both SDA and state guidelines relating to student readiness and school entrance requirements. Focuses on leadership knowledge and skills needed for a successful Kindergarten program. Open to practicing teachers and students in the campus credential program. Graded S/F. Even summers.

EDUC 431  1-2 Su
Kindergarten Curriculum

Meets the SDA special endorsement requirements for Kindergarten teachers. The NAD curriculum framework forms the basis of course content. Practical applications for Kindergarten classrooms are emphasized. Open to practicing teachers and students in the campus credential program. Graded S/F. Odd summers.

EDUC 446  2 Su
SDA Methods in Elementary Social Studies

Meets the SDA Basic Elementary certification requirement for methods in Social Studies. Open to practicing teachers holding a Conditional certificate; not open to students in the campus credential program. Even summers.

EDUC 447  2 Su
Real Science, Real Learning

Meets the SDA Basic Elementary certification requirement for methods in science and health. Open to practicing teachers holding a Conditional certificate; not open to students in the campus credential program. Odd summers.

Graduate Courses

Prerequisite to all graduate-level courses: Admission to the M.A.T., M.Ed. or fifth-year program or department approval.
