

Pacific Union College

Credit by Examination, Advanced Placement

2011-2012

Students are granted 4 - 8 hours of General Education (GE) or elective credit for each AP exam passed with a score of 3 or higher. Exact course equivalencies and credit amounts are described below.

Note: GE and elective credits earned do not necessarily apply to major requirements. Also, some professional or graduate programs may not accept AP credit. Check with your advisor to determine the applicability of AP courses to your major or pre-professional program.
