Parking and building entry

Enter the parking area on the north side of the building and park in the back of the building. The single door on the back side of the building (to the right of the double doors) remains unlocked until 7:00 p.m. and is the closest exterior door to the classroom.

Enter the PUC facilities at the 5th door in that hallway.

Security System

The front and all exterior doors (except the back single door) lock automatically at 5:00 p.m. and the back single door at 7:00 p.m.

Students entering the facility after 7:00 p.m. need to use their cell phone to call a student or the instructor that's in the classroom.
