- **Teach Music** to people of all ages to make music in solo and ensemble settings

### Occupational Information

The A.S. in Music at PUC's Department of Music seeks to nurture a student's musical talent in a creative Christian environment. Students are challenged to develop performance skills in solo and group settings as well as the ability to talk and write about music on a fundamental level.

This degree provides a solid liberal arts education with a focus on creative problem-solving and the ability to work effectively as an individual and as part of a team. It is most effective when combined with another major or in conjunction with pre-professional studies for a career outside of music such as nursing, speech therapy, or occupational therapy.

\* To be taken each quarter in residence, up to five quarters.
