BSN PROGRAM EARNS TOP MARKS AFTER ACEN ACCREDITATION EVALUATION

Pacific Union College's Bachelor of Science in Nursing (BSN) program has again demonstrated its excellence, earning continuing accreditation and 100% compliance from the Accreditation Commission for Education in Nursing (ACEN) through 2033—the maximum length of time between evaluations.

PUC'S CROSS COUNTRY TEAM CLOSES A HISTORIC SEASON

On Monday, November 3, the women's and men's cross country teams from Pacific Union College competed at the California Pacific Conference Championships at Simpson University, where the men's team placed in second place and the women's team came in third. While the team's season came to a close, three students moved on to the National Association of Intercollegiate (NAIA) at Apalachee Regional Park in Tallahassee, FL, on Friday, November 21, breaking personal records.

PUC ALUMNUS NAMED NORTHERN CALIFORNIA CONFERENCE TREASURER

On May 7, Pacific Union College alumnus Jaymes Cheney was appointed as the next Northern California Conference Treasurer. He graduated with a Bachelor of Business Administration with emphasis in accounting and marketing in 2006. When looking back at his college days, he credits his education at PUC, equipping him well for professional growth and success in the workplace.

THE YEE FAMILY LEGACY AT PUC

The story begins with two brothers, Franklin and Calvin: the first students of three consecutive generations and 10 family members who would graduate from PUC.

PUC ALUMNI GRANT ORDELHEIDE SHARES HIS PASSION FOR PHOTOGRAPHY

Growing up in the Colorado Rockies, Montana-based nature and outdoor photographer Grant Ordelheide was immersed in beautiful landscapes and in a family that took every opportunity to be outdoors. This exposure instilled a fire within Ordelheide that was beyond

a passion for nature. Ever since then, he has been chasing every scene to capture not only in memory, but on camera to share with the world.

"MISSION TRIPS ARE MY PASSION"

In July, PUC student Elena Freitas had the opportunity to participate in a biology department mission trip to Kandy, Sri Lanka. As an environmental studies major from Hilo, Hawaii, she was excited to visit a new country and serve the people. "Mission trips are my passion!" expressed Elena. "I love serving others, and the idea of participating in a medical mission trip immediately caught my attention. Not only would I be helping out with those who need medical care, but I would also lovingly serve through ministry, prayer, and the VBS program."

THE PUC MISSION CONTINUES: A VISION FOR OUR FUTURE

In 2021, a new vision plan was implemented for PUC. The goal was simple: recognize our problems and acknowledge the need for significant changes, all while remaining true to Adventism, our historical mission, and the quality of the PUC campus experience. The vision plan was, in large part, an operational strategy centered on stabilizing the institution, all while maintaining our public image, core mission, and historical legacy.
