

# Creative Arts Scholarship 2016-2017

## A.S. in Film and Theater Studies Application

Application Deadline: **March 2, 2016**

### I. Application Procedures

Please complete this application and submit it along with the following items:

1. A short typed cover letter describing yourself and your goals in life as they relate to your experience and abilities in Theatre and/or Film.
2. One letter of recommendation. This letter should be written by someone—such as a teacher, mentor, or director—who has direct experience of your creative ability in Theatre and/or Film. Your letter of recommendation may not be written by anyone related to you.
3. Additionally, please submit the following, according to the AS emphasis you intend to pursue:

**For the Performance emphasis:** A short (less than one-minute) video of you performing a monologue to camera. This should not be a video of you performing in a show: choose and film something yourself, just for this. High-quality video is not essential—a cell-phone camera would be just fine—but make sure you are clearly audible and visible. Burn the video file onto a CD and mail it with this application, or upload it to YouTube (or another website) and tell us the URL.

**For the Narrative emphasis:** A short script for stage or film, no more than ten pages in length, that includes action and characters with written dialogue. Must have a beginning, middle, and end. Print the script and mail it with this application.

**For the Technical emphasis:** A short video no more than ten minutes in length. Video may be documentary or narrative in nature. If segment is from a longer piece, choose the 10 minutes which best represents your technical abilities. Upload it to YouTube (or another website) and tell us the URL.

4. All application materials must be postmarked on or by **March 2, 2016**. Submit all materials to:
