Psychology, B.A.	178
Psychology, Minor	178
Social Work, B.S.W.	178
Conflict Resolution Certificate	179

The department offers two majors: Psychology and Social Work. The goals of the *Psychology & Social Work Department* are as follows:

- To encourage purposeful living in the service of God and humanity by helping students understand and apply principles of human behavior in personal and professional relationships.
- To provide a general background for a wide range of careers that involve working with people, such as law, medicine, nursing, education, business, and the ministry.
- To prepare students at the baccalaureate level in the generalist framework for employment in the profession of social work.
- To prepare students for successful graduate study in psychology and social work.

While the department has Student Learning Outcomes (SLOs) specific to each major, the overall Departmental Student Learning Outcomes (DSL0s) are that graduates can:

1. Demonstrate respect for the core Department values of free inquiry, diversity, responsible citizenship, and service to God and humanity.
2. Demonstrate recognition of the moral tensions, and appreciation of the common values, between the professions and the Christian faith.
