CONCURRENT ENROLLMENT REQUEST FOR CURRENT PUC STUDENTS

Please use this form if you are currently enrolled at Pacific Union College and wish to take courses at another school *without* transferring your F-1 record. You must complete this form if you wish for the courses you are taking at another institution to be counted towards your 12-unit minimum enrollment requirement for the Fall, Winter or Spring term (quarter). This form is not required for the breaks except for the summer quarter if you are not allowed a summer vacation break and must take a full load during the summer. Your concurrent enrollment request must be submitted no later than the end of the add/drop period of the first week of the quarter. If you have already graduated from PUC, you cannot enroll concurrently and must request a transfer to another school to continue your studies. Do we have your current information? Make sure your address and phone number are correct in our Colleague system and with the international student advisor.
