

PUC Wireless Instructions for Guests

PUC offers wireless services in most areas of our campus. Please note that you will see the following options by building. If you are not a registered student at PUC you must follow the procedure below, keeping in mind you will only have access for 24 hours, and must then reenroll:

The rest of the campus still has the old wireless equipment and not all the buildings are fully covered. You may use the following option in the rest of the campus:

- a. PUC Wireless Network

There is no need for any proxy settings in your browsers or firewalls. If your computer has virus, malware, or spyware, you may not be able to connect to our wireless. The ITSS department is available for assistance from 8:30 a.m. to 4:30 p.m. Monday-Thursday and 8:30 a.m. to 1:00 p.m. on Fridays. We are located in the basement of the Library.

Please follow closely the authentication instructions. Here you have screen samples:

 Pacific Union College PUC Users: Accessing the Internet requires you to agree to the terms below and login with your PUC username and password.

Guests: Please use the link below to register.
