PIONEERS PROFILE: LAUREN

SANCHEZ Lauren Sanchez is a first-year student who plays center back for PUC's women's soccer team. Coming from Hacienda Heights, she was drawn to PUC athletics because of how close and friendly everyone was on the team. "There was never a moment I felt left out when I was here on my official visit, and even now that I am on the team, I still feel the same way about them," shared Lauren.

MAXWELL SCHOLAR SPOTLIGHT:

ANRIANNE PONCE Since Anrienne Ponce was 10 years old, growing up in Bakersfield, CA, she knew she wanted to attend PUC and be a nurse. She told her parents, who told their church friends and found out a family there had a son studying at PUC to become a nurse. That's when Anrienne decided to attend PUC herself and become a nurse, just like one of her church members. Now, as a nursing student and Maxwell Scholar, she says PUC was the right college choice that God led her to.
