Pacific Union College

Religious and Community Service Attendance Expectation

Our Philosophy
Pacific Union College has a rich heritage of Christian values we hope to share with all students who have chosen to attend PUC. As a Christian liberal arts college, PUC is committed to assisting students to develop a comprehensive view of life from a Christian perspective. Regular participation in community worship settings and service activities will help achieve this goal.

Quarterly Expectation
- Freshmen – 30 credits
- Sophomore – 20 credits
- Junior – 15 credits
- Senior – 10 credits
(Based on current class standing)

Attendance at religious services is recorded when a student has swiped in and out of a program, signed an attendance card/sheet or checked in with a worship leader via the Abode app. Attendance records are posted on WebAdvisor. These records may be viewed at [http://webadvisor.puc.edu](http://webadvisor.puc.edu).

Religious Service Attendance Options
We encourage each of you to get involved in a small worship group, witnessing activity, or a community service opportunity as this participation will accumulate attendance credit for the quarter.

VESPERS: Weekly student worship in the Sanctuary on Friday evenings. As Seventh-day Adventist Christians, the Sabbath is opened with fellowship, praise, and an inspirational message.

LIFE GROUPS: Designed to assist first-year students in the transition to college life. Students meet in groups to identify and clarify values and beliefs which form an essential foundation for success in relationships, academics, and spiritual life.

SERVICE OPPORTUNITIES: PUC offers many opportunities for students to become involved in outreach as well as in-reach, or students may create their own service opportunities by submitting the Religious and Community Service Activity Request form (http://www.puc.edu/participation) to Student Life.
