World Languages offers instruction in a number of languages. Courses in Korean and Spanish are offered on campus. Through its membership in the Adventist Colleges Abroad (ACA) consortium, courses are also offered in Arabic, French, German, Italian, Portuguese, and Spanish. Participating campuses abroad are located in Argentina, Austria, Brazil, France, Italy, Lebanon, and Spain. An ACA campus in Israel offers courses in Biblical Hebrew (*see Theology*).

The department offers an individualized interdisciplinary major in Language & Culture Studies with language emphases in Arabic, French, German, Italian, Portuguese, and Spanish. This individualized major allows students to design their second emphasis, selecting from a broad range of courses to complete Language & Culture Studies degree (for example, with an emphasis in Spanish & Environmental Studies, French & History, Italian & Music, etc.).

Departmental majors and minors will typically spend from one to three quarters, as needed, in the ACA Program in order to study the selected language and be immersed in the culture.

World Languages also offers a badge in Basic Spanish for Health Care on successful completion of SPAN 105 Spanish

Adventist Colleges Abroad (ACA)

Pacific Union College is a member of Adventist Colleges Abroad (ACA), a consortium of colleges and universities operated by the Board of Higher Education of the North American Division of the Seventh-day Adventist Church. This consortium

affords opportunity to qualified students for international study while completing the requirements of their programs at their home campus. The program allows students to immerse themselves in the culture and life of the host country and become conversant in the language if other than English; to mature socially, spiritually, and intellectually; and to develop sensitivity to cultural differences and a sense of responsibility for and mission to other peoples of the world. ACA offers an academic year program of study as well as a (six-weeks for most programs) summer term.

ACA Locations

The following institutions are international affiliates of ACA:

Argentina- Universidad Adventista del Plata, Libertador San Martín

ACA Admission

Applicants for international study do not need to be language majors or minors. Students majoring in various disciplines that allow for one quarter up to a full year within the four-year curriculum may study in the year-abroad and summer session programs without losing credits or prolonging time before graduation by carefully planning the year(s) preceding and following their international study experience. Prerequisites for admission to Adventist Colleges Abroad study abroad programs are as follows:

1. Admission as a regular student to Pacific Union College for the summer or academic year abroad.
2. Competence in the language of the host country for Argentina and Spain (minimum: one year of college or two years of secondary study with a language GPA of 2.50). This level of language competence is prerequisite to one's being considered for admission. Language competence

World Languages

is encouraged but not required at all campuses except Argentina and Spain, or of students in summer programs.

3. Regular academic standing at Pacific Union College and a minimum cumulative college GPA of 2.0.
4. A good citizenship record that gives evidence of better-than-average maturity, adjustability, and congeniality.
5. Presentation of the application with all required information and signatures (academic and financial arrangements) to the Pacific Union College Admissions Office by April 1 (summer program) or May 1 (academic year).
6. Attendance at an ACA orientation meeting presented by PUC's ACA coordinator.

College freshmen with competence in the language are not specifically excluded from ACA academic year programs, but the course of study is usually more beneficial to sophomores and juniors, especially those who plan to major or minor in the language. Participation in ACA is also typically open to students immediately after completion of coursework at PUC.

ACA courses are in high demand; applications are processed in the order received. Applications are available online at *www.acastudyabroad.com*. Unless otherwise stated, the deadline for summer applications is April 1; for academic year programs, it is May 1. An application procedure guide is available at the department web page and at the Records Office web page.

ACA Enrollment

Although enrolled on an international campus, students are registered at PUC; are considered in residence at this college; and are eligible for all external grants, loans, scholarships, and financial aid offered to students in attendance at PUC. Credit earned abroad is recorded each term in the PUC Records Office. Students must obtain prior permission from the Pacific Union College Records Office to earn more than 18 credits for a term.

As part of their PUC enrollment, all ACA students are required to enroll in LANG 300: International Cultural Experience during each fall, winter, and spring term. The purpose of this course is to support the student study abroad experience and enhance appreciation of the host culture and language. This one-credit course is offered for no additional cost and is conducted online.

ACA students are subject to all academic, financial, and conduct requirements of PUC. At the same time, each ACA student is also a part of the affiliated overseas school and as such is subject to all of its requirements as well. Further information regarding these requirements will be provided to the student during the admission and enrollment process.

ACA Coursework

The Adventist Colleges Abroad Program offers a wide variety of language courses. At non-Spanish language campuses, these include beginner-level courses. At all campuses, intermediate and advanced levels concentrate on grammar, orthography, composition, phonetics, conversation, reading, pronunciation, literature, culture, civilization, and folklore as well as courses in art, education, geography, history, music, physical education, and religion.

Applicants must consult with their major professors and the ACA coordinator before enrollment. Pacific Union College personnel advise students about courses to take abroad and determine how the credits will apply toward graduation requirements. Those who carefully plan their academic-year programs with Pacific Union College advisors may earn up to 50 quarter hours toward a baccalaureate degree, including credit for the major, minor, general education, and elective requirements.
