World Languages offers instruction in a number of languages. Courses in Spanish are offered on campus. Through its membership in the Adventist Colleges Abroad (ACA) consortium, courses are also offered in Biblical Hebrew, French, German, Italian, Korean, Portuguese, and Spanish. Participating campuses abroad are located in Argentina, Austria, Brazil, France, Italy, S. Korea, and Spain. An ACA campus offers courses in Biblical Hebrew on a rotating basis (*see Theology*).

The department offers an individualized interdisciplinary major in Language & Culture Studies with language emphases in French, German, Italian, Portuguese, and Spanish. This individualized major allows students to design their second emphasis, selecting from a broad range of courses to complete their degree (for example, emphases in Spanish & Environmental Studies, French & History, Italian & Music, etc.).

Departmental majors and minors typically spend from one to three quarters, as needed, in the ACA Program to study the selected language and be immersed in the culture.

World Languages also offers a digital badge in Basic Spanish for Health Care on successful completion of SPAN 105 Spanish for Healthcare I and a digital Spanish for Healthcare Certificate

on successful completion of both SPAN 105 Spanish for Healthcare I and SPAN 215 Spanish for Healthcare II.

Adventist Colleges Abroad (ACA)

Pacific Union College is a member of Adventist Colleges Abroad (ACA), a consortium of colleges and universities operated by the Board of Higher Education of the North American Division of the Seventh-day Adventist Church. This consortium affords opportunity to qualified students for international study while completing the requirements of their programs at their home campus. The program allows students to immerse themselves in the culture and life of the host country and become conversant in the language if other than English; to mature socially, spiritually, and intellectually; and to develop sensitivity to cultural differences and a sense of responsibility for and mission

to other peoples of the world. ACA offers Academic Year and Summer program (see below).

ACA Locations

The following institutions are international affiliates of ACA:

Argentina- Universidad Adventista del Plata, Libertador San Martín
Spanish Language, Latin American Culture (Academic Year)

Austria- Seminar Schloss Bogenhofen, St. Peter am Hart
German Language and Culture (Academic Year, Summer)

Brazil- Northeast Brazil Adventist University (UNIAENE), Bahia
Portuguese Language and Culture (Academic Year, Summer)

France- Campus Adventiste du Salève, Collonges-sous-Salève
French Language and Culture (Academic Year, Summer)

Italy- Istituto Avventista Villa Aurora, Florence
Italian Language and Culture (Academic Year, Summer)

South Korea- Sahmyook University, Seoul
Korean Language and Culture (Summer)

Spain- Escuela Superior de Español de Sagunto, Sagunto
Spanish Language and Culture (Academic Year, Summer)

ACA Admission

Applicants for international study do not need to be language majors or minors. Students majoring in various disciplines that allow for one quarter up to a full year within the four-year curriculum may study in the year-abroad and summer session programs without losing credits or prolonging time before graduation by carefully planning the year(s) preceding and following their international study experience. Prerequisites for admission to Adventist Colleges Abroad study abroad programs are as follows:

1. Admission as a regular student to Pacific Union College for the summer or academic year abroad or as a guest student for participation through ACA Early.
2. Regular academic standing at Pacific Union College and a minimum cumulative college GPA of 2.5.
3. A good citizenship record that gives evidence of better-than-average maturity, adjustability, and congeniality.
4. Presentation of the application with all required information and signatures (academic and financial arrangements) to the Pacific Union College ACA Campus Coordinator as early as Fall Quarter, but no later than April 1 (Summer Programs) or May 1 (Academic Year). NOTE: Programs may fill at any time after the start of Fall Quarter.
5. Attendance at an ACA orientation meeting presented by PUC's ACA Campus Coordinator.

World Languages

College freshmen are eligible to participate in ACA academic year programs, but the course of study is usually more beneficial to sophomores and juniors, especially those who plan to major or minor in the language. Participation in ACA is also typically open to students immediately after completion of coursework at PUC.

Qualified high school students with junior or senior standing (age 16) may participate in ACA Summer Programs for college credit through the ACA Early program.

ACA courses are in high demand; applications are processed in the order received. In-demand programs fill early. Applications are available online at www.acastudyabroad.com. An application procedure guide is available at the department web page and at the Records Office web page.

ACA Enrollment

Although enrolled on an international campus, students are registered at PUC; are considered in residence at this college; and are eligible for all external grants, loans, scholarships, and financial aid offered to students in attendance at PUC. Credit earned abroad is recorded each term in the PUC Records Office. Students must obtain prior permission from the Pacific Union College Records Office to earn more than 18 credits for a term.

As part of their PUC enrollment, all ACA students are required to enroll in LANG 300: International Cultural Experience during each fall, winter, and spring term. The purpose of this course is to support the student study abroad experience and enhance appreciation of the host culture and language. This one-credit course is offered for no additional cost and is conducted online.

ACA students are subject to all academic, financial, and conduct requirements of PUC. At the same time, each ACA student is also a part of the affiliated overseas school and as such is subject to all of its requirements as well. Further information regarding these requirements will be provided to the student during the admission and enrollment process.

ACA Coursework

The Adventist Colleges Abroad Program offers a wide variety of language courses starting at the beginning level. At all campuses, intermediate and advanced levels concentrate on grammar, orthography, composition, phonetics, conversation, reading, pronunciation, literature, culture, civilization, and folklore as well as courses in art, education, geography, history, music, physical education, and religion. The ACA-Italy campus also offers an art track.

Applicants must consult with their major professors and the ACA coordinator before enrollment. Pacific Union College personnel advise students about courses to take abroad and determine how the credits will apply toward graduation requirements. Those who carefully plan their academic-year programs with Pacific Union College advisors may earn up to 50 quarter hours toward a baccalaureate degree, including credit for the major, minor, general education, and elective requirements.
