## **Title IV Funds Credit Balance Authorization**

Title IV funds are financial aid which include: Pell Grant, FSEOG, PLUS Loan, Federal Direct loans and work-study programs. Federal regulations require that TITLE IV funds be automatically applied to tuition, room & board and mandatory fees.

If the Title IV funds exceed all charges after they have been applied to your student account, you will be eligible for a refund. Please select an option below on how you would like the credit on your account to be handled:

- I would like all excess funds to remain in my student account to cover additional expenses until I request a check.
  
- I would like all excess funds on my account to be issued to me when the funds are disbursed. I understand that I will be responsible for paying any outstanding account balance that may be added after funds are disbursed.
