Occupational Information

What can I do with this major?

Social workers have a wide scope of specialties, some of which are medical, employee assistance, psychiatric, administrative, forensic, corrections, child welfare, developmental disabilities, research, teaching, family counseling, program management, veteran affairs, community organization, gerontology, poverty programs, and private practice.

Additional Education Required?

Graduate education (M.S.W.) is recommended for many of the above areas. A bachelor's degree may limit one's possibilities for advancement. However, there are many opportunities open to B.S.W. graduates.

Public Sector vs. Denominational

Currently there are jobs in the medical and educational fields with limited opportunities in local church organizational positions.

Job Outlook

Employment of social workers is expected to increase by 14 percent during the 2020-2030 decade, which is faster than the average for all occupations. Earnings: Median annual earnings for social workers is \$61,190 according to the May 2021 Bureau of Labor Statistics. Annual earnings vary by region, type of social work agency, and educational level. Salaries can range from \$83,020 for work in the Federal government to \$44,380 for work with individuals and families.

* Lab required.

** Fulfills a G.E. requirement.

*** Must be taken each quarter of the sophomore and junior years.
