Theology and Religion majors investigate the inspiring and life-changing truths of the Christian faith. Such exploration brings to life the Word of God in all its theological, historical, ethical, spiritual, and practical dimensions. The *Theology Department* offers two majors and six minors.

The Theology major is recommended for those who want to enter Christian ministry, specifically pastoral ministry, youth ministry, lay ministry, chaplaincy, or the teaching of religion. This major provides pre-Seminary education and training that meets the entrance requirements for the Master of Divinity (M.Div.) degree at the Seventh-day Adventist Theological Seminary at Andrews University. The North American Division (NAD) of Seventh-day Adventists recognizes the M.Div. degree as the standard degree for pastoral ministry within the NAD. Those who desire to enter pastoral ministry should ultimately take the M.Div. graduate degree sometime after completion of the B.A. in Theology. Unusual circumstances or age, however, may allow for the completion of a professional Master of Arts

(M.A.) degree in a related field, such as the M.A. in Pastoral Ministry, instead of the normal M.Div. degree.

The Religion major is designed for those who want a solid background in religion but are planning careers in other fields, such as teaching, health professions, and law.

The six minors provide a formal framework for general students who wish to focus on a particular area of religious study.
